

EMPLOYMENT APPEALS BOARD DECISION
2025-EAB-0578

Late Application for Review Dismissed

PROCEDURAL HISTORY: On March 4, 2025, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant did not complete the Department's identification requirements and was not eligible for benefits beginning February 23, 2025 (decision # L0009528486). On March 24, 2025, decision # L0009528486 became final without claimant having filed a request for hearing. On August 13, 2025, claimant filed a late request for hearing. ALJ Kangas considered claimant's request, and on September 8, 2025 issued Order No. 25-UI-302709, dismissing the request as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by September 22, 2025. On September 29, 2025, Order No. 25-UI-302709 became final without claimant having responded to the appellant questionnaire or filed an application for review of Order No. 25-UI-302709 with the Employment Appeals Board (EAB). On October 2, 2025, claimant filed a late application for review of Order No. 25-UI-302709 with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists the written statement claimant submitted with her late application for review, which has been marked as EAB Exhibit 1 and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

FINDING OF FACT: (1) Order No. 25-UI-302709, mailed to claimant on September 8, 2025, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 25-UI-302709 at 2. Order No. 25-UI-302709 also stated on its Certificate of Mailing, "Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than September 29, 2025."

CONCLUSIONS AND REASONS: Claimant's late application for review of Order No. 25-UI-302709 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ended. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 25-UI-302709 was due September 29, 2025. Because claimant did not file her application for review until October 2, 2025, the application for review was late. Claimant provided a written statement with the application for review. However, claimant’s written statement did not describe circumstances preventing her from filing the application for review on time. Rather, claimant’s written statement appeared to explain why she filed the late request for hearing on decision # L0009528486 on August 13, 2025, when the request for hearing had been due by March 24, 2025. Although claimant had a number of difficulties befall her in August and perhaps into early September 2025, claimant’s statement does not explain why she did not file her application for review by September 29, 2025, and instead filed it late on October 2, 2025. Accordingly, claimant did not show good cause for the late application for review, and claimant’s late application for review is dismissed.

DECISION: The application for review filed October 2, 2025 is dismissed. Order No. 25-UI-302709 remains undisturbed.
