**PROCEDURAL HISTORY:** On October 13, 2025, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant filed a late claim for unemployment insurance benefits for the week of August 24, 2025 through August 30, 2025 (week 35-25), and was therefore ineligible to receive benefits for that week (decision # L0013633611). Also on October 13, 2025, the Department served notice of an administrative decision concluding that claimant did not actively seek work during the week of September 21, 2025 through September 27, 2025 (week 39-25) and was therefore ineligible to receive benefits for that week (decision # L0013464872). On October 17, 2025, the Department served notice of an administrative decision concluding that claimant did not actively seek work during the week of August 24, 2025 through August 30, 2025 (week 35-25), and was therefore ineligible to receive benefits for that week (decision # L0013542385). Also on October 17, 2025, the Department served notice of an administrative decision concluding that claimant did not actively seek work during the week of August 31, 2025 through September 6, 2025 (week 36-25) and was therefore ineligible to receive benefits for that week (decision # L0013482220). Also on October 17, 2025, the Department served notice of an administrative decision concluding that claimant did not actively seek work during the week of September 7, 2025 through September 13, 2025 (week 37-25), and was therefore ineligible to receive benefits for that week, and that claimant received \$872 in benefits to which he was not entitled and must repay to the Department (decision # L0013445075). Also on October 17, 2025, the Department served notice of an administrative decision concluding that claimant did not actively seek work during the week of September 14, 2025 through September 20, 2025 (week 38-25), and was therefore ineligible to receive benefits for that week, and that claimant received \$872 in benefits to which he was not entitled and must repay to the Department (decision # L0013452524). On November 3, 2025, decisions # L0013633611 and L0013464872 became final without claimant having filed a request for hearing. On November 6, 2025, decisions # L0013542385, L0013482220, L0013445075, and L0013452524 became final without claimant having filed a request for hearing. On December 1, 2025, claimant filed late requests for hearing on decisions # L0013633611, L0013464872, L0013542385, L0013482220, L0013445075, and L0013452524.

ALJ Kangas considered the requests, and on December 11, 2025, issued Order No. 25-UI-313929, dismissing the request for hearing on decision # L0013633611 as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by December 25, 2025. On December 16, 2025, ALJ Kangas issued Orders No. 25-UI-314437, 25-UI-314444, 25-UI-314439, 25-UI-314443, and 25-UI-314440, dismissing the requests for hearing on decisions # L0013464872, L0013542385, L0013482220, L0013445075, and L0013452524, respectively, as late, subject to claimant's right to renew the requests by responding to an appellant questionnaire by December 30, 2025. On December 23, 2025, claimant filed an appellant questionnaire response regarding all the late requests for hearing which was forwarded to the Employment Appeals Board (EAB). On December 24, 2025, claimant filed applications for review of Orders No. 25-UI-313929, 25-UI-314437, 25-UI-314444, 25-UI-314439, 25-UI-314443, and 25-UI-314440 with EAB.

EAB combined its review of Orders No. 25-UI-313929, 25-UI-314437, 25-UI-314444, 25-UI-314439, 25-UI-314443, and 25-UI-314440 under OAR 471-041-0095 (October 29, 2006). For case-tracking purposes, this decision is being issued in sextuplicate (EAB Decisions 2026-EAB-0003, 2026-EAB-0002, 2026-EAB-0005, 2026-EAB-0001, 2026-EAB-0006, 2026-EAB-0004).

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant's appellant questionnaire response, has been marked as EAB Exhibit 1, and provided to the parties with this decision.<sup>1</sup> Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, saying why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

**FINDINGS OF FACT:** (1) On August 26, 2025, claimant filed an initial claim for unemployment insurance benefits that the Department determined was monetarily valid. Claimant most recently filed a weekly claim for benefits on September 30, 2025.<sup>2</sup>

(2) When filing his initial claim, claimant elected to receive correspondence through Frances Online rather than by mail.

(3) On October 13, 2025, the Department issued decisions # L0013633611 and L0013464872, which were available to view in claimant's Frances Online account that day. Each decision stated, "You have the right to appeal our decision and request a hearing if you believe our decision is wrong. We must receive your request for a hearing no later than **November 3, 2025**." Order No. 25-UI-313929 Exhibit 1 at 2; Order No. 25-UI-314437 Exhibit 1 at 2 (emphasis in originals).

---

<sup>1</sup> A written statement included with claimant's applications for review was considered part of the appellant questionnaire response.

<sup>2</sup> EAB has taken notice of these facts, which are contained in Employment Department records. OAR 471-041-0090(1). Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the noticed facts will remain in the record.

(4) On October 17, 2025, the Department issued decisions # L0013542385, L0013482220, L0013445075, and L0013452524, which were available to view in claimant's Frances Online account that day. Each decision stated, "You have the right to appeal our decision and request a hearing if you believe our decision is wrong. We must receive your request for a hearing no later than **November 6, 2025.**" Order No. 25-UI-314444 Exhibit 1 at 2; Order No. 25-UI-314439 Exhibit 1 at 2; Order No. 25-UI-314443 Exhibit 1 at 2; Order No. 25-UI-314440 Exhibit 1 at 2 (emphasis in originals).

(5) After claimant filed a weekly claim for benefits on September 30, 2025, he decided to retire, and that he therefore would not claim any additional benefits. Because claimant was not claiming benefits, he did not check his Frances Online account during October or November 2025, and was therefore unaware that the administrative decisions under review had been issued.

(6) On December 1, 2025, claimant checked his Frances Online account and saw the six administrative decisions issued on October 13 and 17, 2025. That day, claimant filed late requests for hearing on those decisions.

**CONCLUSIONS AND REASONS:** Claimant's late requests for hearing are allowed, and hearings on the merits of decisions # L0013633611, L0013464872, L0013542385, L0013482220, L0013445075, and L0013452524 are required.

ORS 657.269 states that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 states that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) states that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ended.

The requests for hearing on decisions # L0013633611 and L0013464872 were due by November 3, 2025. The requests for hearing on decisions # L0013542385, L0013482220, L0013445075, and L0013452524 were due by November 6, 2025. Claimant's requests for hearing were filed on December 1, 2025, and were therefore late.

In his appellant questionnaire response, claimant did not mention expecting or receiving mailed copies of the administrative decisions, and it is therefore reasonable to infer that he elected to receive correspondence from the Department through Frances Online when filing his initial claim. Claimant last claimed benefits on September 30, 2025, approximately two weeks before the administrative decisions were issued. Claimant wrote that once he stopped claiming benefits, he was focused on traveling and moving out of state, and stopped checking his Frances Online account until December 1, 2025. EAB Exhibit 1 at 6. Claimant's failure to see the administrative decisions in Frances Online prior to the filing deadlines prevented him from filing timely requests for hearing.

Because claimant was not claiming benefits during October and November 2025, his failure to check Frances Online for correspondence during those months, and the resulting delay in his discovery of the administrative decisions, constituted a factor beyond his reasonable control that prevented timely filing of requests for hearing. Good cause has therefore been shown to extend the filing deadlines. As claimant filed the late requests for hearing on December 1, 2025, the same day he became aware of the administrative decisions, he filed the requests within a "reasonable time" after the factors that prevented

timely filing ended. Accordingly, claimant's late requests for hearing are allowed, and the matters remanded for hearings on the merits of decisions # L0013633611, L0013464872, L0013542385, L0013482220, L0013445075, and L0013452524.

**DECISION:** Orders No. 25-UI-313929, 25-UI-314437, 25-UI-314444, 25-UI-314439, 25-UI-314443, and 25-UI-314440 are set aside, and these matters remanded for further proceedings consistent with this order.

**DATE of Service: January 29, 2026**

**NOTE:** The failure of any party to appear at the hearings on remand will not reinstate Orders No. 25-UI-313929, 25-UI-314437, 25-UI-314444, 25-UI-314439, 25-UI-314443, and 25-UI-314440 or return these matters to EAB. Only a timely application for review of the order mailed to the parties after the remand hearing will return that matter to EAB.
