

EMPLOYMENT APPEALS BOARD DECISION
2026-EAB-0053

Late Application for Review Dismissed

PROCEDURAL HISTORY: On August 12, 2025, the Oregon Employment Department (the Department) served notice of an administrative decision concluding claimant failed to provide information as requested by the Department and was denied benefits beginning June 1, 2025 (decision # L0012470613).¹ On September 2, 2025, decision # L0012470613 became final without claimant having filed a request for hearing. On November 25, 2025, claimant filed a late request for hearing on decision # L0012470613.

ALJ Kangas considered claimant's request, and on December 17, 2025 issued Order No. 25-UI-314656, dismissing claimant's request for hearing as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by December 31, 2025. On January 6, 2026, Order No. 25-UI-314656 became final without claimant having filed a response to the appellant questionnaire or an application for review of Order No. 25-UI-314656 with the Employment Appeals Board (EAB). On January 13, 2026, claimant filed a late appellant questionnaire response and a late application for review of Order No. 25-UI-314656 with EAB.

FINDING OF FACT: (1) Order No. 25-UI-314656, mailed to claimant on December 17, 2025, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 25-UI-314656 at 2. Order No. 25-UI-314656 also said on its Certificate of Mailing, "Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than January 6, 2026."

CONCLUSIONS AND REASONS: Claimant's late application for review of Order No. 25-UI-314656 is dismissed.

¹ Decision # L0012470613 stated that claimant was denied benefits beginning June 1, 2025. However, decision # L0012470613 also said claimant was not required to provide the requested information to OED until June 9, 2025. Therefore, it may have been a clerical error to deny benefits beginning June 1, 2025 rather than denying benefits beginning the week of June 8, 2025 (week 24-25).

An application for review to the Employment Appeals Board (EAB) is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ended. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 25-UI-314656 was due by January 6, 2026. Because claimant did not file their application for review until January 13, 2026, the application for review was late. Although claimant submitted a late appellant questionnaire response to explain why they filed a late request for hearing on decision # L0012470613, claimant’s application for review did not include a written statement describing the circumstances that prevented claimant from filing the application for review to EAB by the January 6, 2026 deadline. Accordingly, claimant did not show good cause for the late application for review, and claimant’s late application for review is dismissed.

DECISION: The application for review filed January 13, 2026 is dismissed. Order No. 25-UI-314656 remains undisturbed.
