

EMPLOYMENT APPEALS BOARD DECISION
2026-EAB-0121

*Reversed ~ Late Request for Hearing Allowed
Merits Hearing Required¹*

PROCEDURAL HISTORY: On November 6, 2025, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant voluntarily quit work without good cause and was therefore disqualified from receiving unemployment insurance benefits effective July 20, 2025 (decision # L0013911872). On November 26, 2025, decision # L0013911872 became final without claimant having filed a request for hearing. On January 16, 2026, claimant filed a late request for hearing. ALJ Kangas considered the request, and on January 21, 2026 issued Order No. 26-UI-317539, dismissing the request as late, subject to claimant’s right to renew the request by responding to an appellant questionnaire by February 4, 2026. On February 3, 2026, claimant filed an appellant questionnaire response and application for review of Order No. 26-UI-317539 with the Employment Appeals Board (EAB).

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant’s appellant questionnaire response, has been marked as EAB Exhibit 1, and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, saying why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

FINDINGS OF FACT: (1) Decision # L0013911872, mailed to claimant’s address on file with the Department on November 6, 2025, stated, “You have the right to appeal our decision and request a hearing if you believe our decision is wrong. We must receive your request for a hearing no later than **November 26, 2025.**” Exhibit 1 at 2 (emphasis in original).

¹ Because claimant does not have reliable access to mail or email, the Office of Administrative Hearings should attempt to notify claimant by phone when the notice of hearing is issued and provide the details necessary for participation in the hearing.

(2) Claimant did not have a place to reliably receive mail, and had only sporadic access to email and Frances Online, from at least November 2025 through January 2026. As a result, claimant had not received decision # L0013911872 by January 16, 2026, and was unaware that the decision had been issued.

(3) On January 16, 2026, claimant went to a WorkSource office to check the status of their claim for benefits and learned of decision # L0013911872. Minutes later, claimant filed a late request for hearing on decision # L0013911872 from the WorkSource office.

CONCLUSIONS AND REASONS: Claimant’s late request for hearing is allowed and a hearing on the merits of decision # L0013911872 is required.

ORS 657.269 states that the Department’s decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 states that the 20-day deadline may be extended a “reasonable time” upon a showing of “good cause.” OAR 471-040-0010 (February 10, 2012) states that “good cause” includes factors beyond an applicant’s reasonable control or an excusable mistake, and defines “reasonable time” as seven days after those factors ended.

The request for hearing on decision # L0013911872 was due by November 26, 2025. Because claimant’s request for hearing was filed on January 16, 2026, it was late. Claimant wrote in the appellant questionnaire response, “I did not know about [decision # L0013911872]. The WorkSource clerk advised me to the messages I had received in the program. Otherwise, I was unaware . . . that was the first I knew about it so I filed 10 mi[nutes] later.” EAB Exhibit 1 at 2. Claimant also explained, “I am currently homeless which makes it difficult to get any mail in a timely fashion. Any email I may get is dependent on me either finding a library or another source to download mail as I do not have access to the internet on a daily and sometimes weekly basis.” EAB Exhibit 1 at 3. Claimant’s inability to reliably receive mail or email, and resulting failure to receive decision # L0013911872, was a factor beyond claimant’s reasonable control that prevented timely filing of the request for hearing. Good cause therefore exists to extend the filing deadline. Moreover, as this factor continued until January 16, 2026, when claimant learned of decision # L0013911872 at a WorkSource office, and the late request for hearing was filed the same day, it was filed within a “reasonable time” after that factor that prevented timely filing ended. Accordingly, claimant’s late request for hearing is allowed, and the matter remanded for a hearing on the merits of decision # L0013911872.

DECISION: Order No. 26-UI-317539 is set aside, and this matter remanded for further proceedings consistent with this order.

DATE of Service: March 5, 2026

NOTE: The failure of any party to appear at the hearing on remand will not reinstate Order No. 26-UI-317539 or return this matter to EAB. Only a timely application for review of the order mailed to the parties after the remand hearing will return this matter to EAB.
