

EMPLOYMENT APPEALS BOARD DECISION
2026-EAB-0201

Affirmed
No Disqualification

PROCEDURAL HISTORY: On February 3, 2026, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged for misconduct and was therefore disqualified from receiving unemployment insurance benefits effective December 14, 2025 (decision # L0015861756).¹ Claimant filed a timely request for hearing. On February 20, 2026, ALJ Naylor conducted a hearing and issued Order No. 26-UI-321064, reversing decision # L0015861756 by concluding that claimant was discharged, but not for misconduct, and was not disqualified from receiving benefits based on the work separation. On February 26, 2026, the employer filed an application for review with the Employment Appeals Board (EAB).

EVIDENTIARY MATTER: The employer included with their application for review a request to reopen the February 20, 2026 hearing to add the testimony of a witness who was not present for the hearing. OAR 471-040-0040(1)(a) (February 10, 2012) permits reopening of a hearing only if the party requesting the reopening failed to appear at the hearing. The employer appeared at the hearing through their representative, Experian Employer Services, Inc., and therefore reopening of the hearing is not permitted under the rule. The employer's request is therefore construed as asking EAB to consider additional evidence not in the hearing record under OAR 471-041-0090(1)(b) (May 13, 2019). That rule requires a showing that factors or circumstances beyond the party's reasonable control prevented the party from offering the additional evidence into the hearing record. OAR 471-041-0090(1)(b)(B).

At hearing, the employer's representative stated that she had been unable to contact the witness because the witness's telephone number provided by the employer was disconnected, and the representative received no reply to the emails she sent to the witness. Audio Record at 5:05. In their request to EAB,

¹ Decision # L0015861756 stated that claimant was denied benefits from January 4, 2026 to January 2, 2027. However, as decision # L0015861756 stated that the work separation occurred on December 17, 2025, it should have stated that claimant was disqualified from receiving benefits beginning Sunday, December 14, 2025, and until he earned four times his weekly benefit amount. See ORS 657.176.

the employer's representative wrote, "The employer's witness states they were unaware of the hearing due to technical issues within their system. The witness experienced technical issues while trying to open the emails advising them about the hearing." Employer's Request at 3. This information fails to explain why the employer could not have provided their representative with an accurate telephone number for the witness prior to the hearing, nor does it explain why the witness failed to immediately contact the representative when they could not open emails from the representative. As such, the employer has not shown that it was beyond their reasonable control to secure the witness's attendance at the hearing. The employer's request that EAB consider additional evidence in the form of witness testimony is therefore denied. EAB considered only information received into evidence at the hearing in reaching this decision.

ADOPTION OF HEARING ORDER: EAB considered the entire hearing record, including witness testimony and any exhibits admitted as evidence. EAB agrees with Order No. 26-UI-321064's findings of fact, reasoning, and conclusion that claimant was discharged, but not for misconduct. Order No. 26-UI-321064 is **adopted**. See ORS 657.275(2).

DECISION: Order No. 26-UI-321064 is affirmed.
