

EMPLOYMENT APPEALS BOARD DECISION
2026-EAB-0677

Late Application for Review Dismissed

PROCEDURAL HISTORY: On February 4, 2022, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged for misconduct and disqualified from receiving benefits effective January 23, 2022 (decision # 122405). Claimant filed a timely request for hearing. On November 28, 2022, the Office of Administrative Hearings (OAH) served notice of a hearing scheduled for December 8, 2022. On December 8, 2022, claimant failed to appear at the hearing, and ALJ D. Lee issued Order No. 22-UI-209365, dismissing claimant's request for hearing due to their failure to appear. On December 28, 2022, Order No. 22-UI-209365 became final without claimant having filed a request to reopen the hearing.

On July 17, 2025, claimant filed a late request to reopen the hearing.¹ ALJ Kangas considered claimant's request, and on August 11, 2025, issued Order No. 25-UI-300221, denying the request as late without good cause and leaving Order No. 22-UI-209365 undisturbed. On September 2, 2025, Order No. 25-UI-300221 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On July 8, 2026, claimant filed a late application for review of Order No. 25-UI-300221 with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant's written statement submitted with their application for review. The written statement is marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must send the objection to EAB in writing, stating why they object, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

FINDINGS OF FACT: (1) Order No. 25-UI-300221, mailed to claimant on August 11, 2025, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 25-UI-300221 at 4.

¹ Claimant's July 17, 2025 submission was filed using an Application for Review form. *See* Exhibit 1 at 2–3. However, under OAR 471-041-0060 (May 13, 2019), the July 17, 2025 submission was treated as a request to reopen the hearing.

Order No. 25-UI-300221 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before September 2, 2025 to be timely.”

CONCLUSIONS AND REASONS: Claimant’s late application for review is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ended. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 25-UI-300221 was due by September 2, 2025. Because claimant did not file their application for review until July 8, 2026, the application for review was late. In the written statement enclosed with the application for review, claimant explained that they have been homeless and in an area with poor cell phone reception, and had difficulty finding reception on the morning of the hearing. EAB Exhibit 1 at 1. While this might explain why they failed to appear at the December 2022 hearing, it does not explain the circumstances that prevented them from filing a timely application for review of the ALJ’s order issued in August 2025. Claimant did not otherwise explain why they did not file a timely application for review by the September 2, 2025 deadline. Accordingly, claimant did not show good cause for the late application for review, and claimant’s late application for review is dismissed.

DECISION: The application for review filed July 8, 2026 is dismissed. Order No. 25-UI-300221 remains undisturbed.
