

EMPLOYMENT APPEALS BOARD DECISION
2026-EAB-0711

Late Application for Review Dismissed

PROCEDURAL HISTORY: On June 16, 2026, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged for misconduct and disqualified from receiving benefits effective April 19, 2026 (decision # L0018096250).¹ Claimant filed a timely request for hearing. On July 14, 2026, ALJ Laurie-Gardiner conducted a hearing at which the employer failed to appear, and on July 15, 2026 issued Order No. 26-UI-335008, reversing decision # L0018096250 by concluding that claimant was discharged, but not for misconduct, and therefore was not disqualified from receiving benefits based on the discharge. On August 4, 2026, Order No. 26-UI-335008 became final without the employer having filed an application for review with the Employment Appeals Board (EAB). On August 8, 2026, the employer filed a late application for review of Order No. 26-UI-335008 with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of the employer's application for review and the postmarked envelope in which it was mailed, has been marked as EAB Exhibit 1, and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

FINDING OF FACT: (1) Order No. 26-UI-335008, mailed to the employer on July 15, 2026, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 26-UI-335008 at 4. Order No. 26-UI-335008 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before August 4, 2026 to be timely."

¹ Decision # L0018096250 stated that claimant was denied benefits from April 19, 2026 to April 17, 2027. However, decision # L0018096250 should have stated that claimant was disqualified from receiving benefits beginning April 19, 2026 and until she earned four times her weekly benefit amount. See ORS 657.176.

CONCLUSIONS AND REASONS: The employer's late application for review of Order No. 26-UI-335008 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a "reasonable time" upon a showing of "good cause." ORS 657.875; OAR 471-041-0070(2). "Good cause" means that factors or circumstances beyond the applicant's reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A "reasonable time" is seven days after the circumstances that prevented the timely filing ended. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 26-UI-335008 was due by August 4, 2026. Because the employer did not file their application for review until August 8, 2026,² the application for review was late. The employer's application for review did not include a written statement describing circumstances preventing them from filing the application for review by the August 4, 2026 deadline. Accordingly, the employer did not show good cause for the late application for review, and the employer's late application for review is dismissed.

DECISION: The application for review filed August 8, 2026 is dismissed. Order No. 26-UI-335008 remains undisturbed.

² The filing date for an application for review filed by mail is the postmark date on the envelope in which the application was mailed. OAR 471-041-0065(1)(b) (May 13, 2019). Despite the fact that the application for review itself was hand-dated August 3, 2026, the postmark date on the envelope in which the employer mailed their application for review was August 8, 2026; that date is therefore the filing date. See EAB Exhibit 1 at 1.
