

EMPLOYMENT APPEALS BOARD DECISION
2026-EAB-0724

Late Application for Review Dismissed Without Prejudice

PROCEDURAL HISTORY: On May 26, 2026, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged by the employer for misconduct and disqualified from receiving unemployment insurance benefits effective March 15, 2026 (decision # L0017659423).¹ Claimant filed a timely request for hearing. On June 29, 2026, ALJ Andersen conducted a hearing, and on July 6, 2026 issued Order No. 26-UI-334361, affirming decision # L0017659423. On July 27, 2026, Order No. 26-UI-334361 became final without claimant having filed a timely application for review with the Employment Appeals Board (EAB). On August 11, 2026, claimant filed a late application for review with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is the written statement claimant included with his application for review, is marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must send the objection to EAB in writing, stating why they object, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

CONCLUSIONS AND REASONS: The application for review is dismissed without prejudice.

On August 11, 2026, claimant filed an application for review of Order No. 26-UI-334361 with EAB. ORS 657.270(6) and ORS 657.270(7)(b) required the application for review to be filed no later than July 27, 2026. Claimant's application for review is therefore late, and this application for review is dismissed.

The deadline for filing an application for review may be extended a reasonable time if the applicant can show they have good cause to extend the deadline. *See* ORS 657.875; OAR 471-041-0070 (May 13,

¹ Decision # L0017659423 stated that claimant was denied benefits from March 15, 2026 to March 13, 2027. However, decision # L0017659423 should have stated that claimant was disqualified from receiving benefits beginning March 15, 2026 and until he earned four times his weekly benefit amount. *See* ORS 657.176.

2019). If claimant believes they have good cause and filed their late application for review within a reasonable time, claimant may ask EAB to *reconsider* this decision under OAR 471-041-0145 (May 13, 2019).

EAB will dismiss any request for reconsideration that does not include **all five** of the following:

1. Claimant must file the request for reconsideration by October 15, 2026, *and*
2. Claimant must state in the request for reconsideration that they sent a copy of the request to the employer, *and*
3. Claimant must provide more specific details about the reason they filed a *late* application for review. For example, claimant should include specific information about the date they received the ALJ's Order No. 26-UI-334361, whether they read and disagreed with it, and how they were prevented from filing their application for review by July 27, 2026. Claimant should include specific details that might help EAB decide whether claimant had "good cause," which means factors or circumstances beyond their reasonable control prevented them from filing a timely application for review, *and*
4. Claimant must provide the date the circumstances that prevented them from filing a timely application for review ended (the circumstances they listed in response to #3, above), *and*
5. Claimant must provide sufficient information to prove that they filed their application for review within **seven** days of the date the circumstances that prevented them from filing a timely application for review ended.

There are several ways to file a request for reconsideration:

1. Use your smart phone, tablet, or computer to fill out the "File a Written Argument" form, available on EAB's website: <https://www.oregon.gov/EMPLOY/EAB/Pages/default.aspx>, *or*
2. Use your smart phone, tablet, or computer to send an email to EAB at appealsboard@employ.oregon.gov, *or*
3. Send the request by U.S. mail or another delivery service, addressed to Employment Appeals Board, 875 Union St NE, Salem, Oregon 97311, *or*
4. Send EAB a fax at 503-378-2129.

Please note that you need only file *one* request for reconsideration.

DECISION: The application for review filed August 11, 2026 is dismissed without prejudice. Order No. 26-UI-334361 remains undisturbed.
