

EMPLOYMENT APPEALS BOARD DECISION
2026-EAB-0854

Late Application for Review Dismissed

PROCEDURAL HISTORY: On July 14, 2026, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that the employer discharged claimant for misconduct, disqualifying claimant from receiving unemployment insurance benefits based on the work separation, effective May 17, 2026 (decision # L0018732380). Claimant filed a timely request for hearing. On July 17, 2026, the Office of Administrative Hearings (OAH) served notice of a hearing scheduled for July 30, 2026. On July 30, 2026, ALJ Laurie-Gardiner conducted a hearing at which the employer did not appear, and issued Order No. 26-UI-336293, reversing decision # L0018732380 by concluding that claimant was discharged, but not for misconduct, and was not disqualified from receiving benefits based on the work separation.

On August 19, 2026, Order No. 26-UI-336293 became final without the employer having filed a request to reopen the hearing or an application for review of Order No. 26-UI-336293 with the Employment Appeals Board (EAB). On August 20, 2026, the employer filed a late application for review of Order No. 26-UI-336293 which was treated as a request to reopen the hearing by OAH under OAR 471-041-0060(4). ALJ S. Lee considered the employer's request, and on September 10, 2026, issued Order No. 26-UI-339584, denying the request as late without good cause and leaving Order No. 26-UI-336293 undisturbed. Pursuant to OAR 471-041-0060(4), this matter has been returned to EAB for a decision on the merits of the underlying order based on employer's August 20, 2026 late application for review of Order No. 26-UI-336293. The employer did not file an application for review of Order No. 26-UI-339584.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of the employer's late application of review with argument, has been marked as EAB Exhibit 1, and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, saying why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

FINDING OF FACT: (1) Order No. 26-UI-336293, mailed to the parties on July 30, 2026, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 26-UI-336293 at 3. Order No. 26-UI-336293 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before August 19, 2026 to be timely.”

CONCLUSIONS AND REASONS: The employer’s late application for review of Order No. 26-UI-336293 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ended. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 26-UI-336293 was due August 19, 2026. Because the employer did not file their application for review until August 20, 2026, the application for review was late. The employer provided a written statement with the application for review. However, the employer’s written statement was related to why employer did not appear for the July 30, 2026 hearing and did not describe the circumstances that prevented the employer from filing the application for review with EAB by the August 19, 2026 deadline. *See* EAB Exhibit 1. Accordingly, the employer did not show good cause for the late application for review, and the employer’s late application for review of Order No. 26-UI-336293 is dismissed.

DECISION: The employer’s late application for review is dismissed. Order No. 26-UI-336293 remains undisturbed.
